

Beginners Simple Guide To Government Accounting Job Paying 85 000 Or More

What is government accounting?

Government accounting is the process of recording, classifying, and reporting financial transactions in the public sector. It is similar to accounting in the private sector, but there are some key differences. For example, government accounting must comply with Generally Accepted Accounting Principles (GAAP) and the Government Accounting Standards Board (GASB) standards. Additionally, government accounting often involves dealing with complex budgets and regulations.
