

Beyond the Green Zone: Uncovering the Hidden Truths of the Iraq War

Ten years after the invasion of Iraq, Pulitzer Prize-winning journalist Rajiv Chandrasekaran returns to the country to uncover the hidden truths of the war. In his gripping new book, *Beyond the Green Zone*, Chandrasekaran draws on exclusive interviews with soldiers, civilians, and officials to tell the untold stories of those who lived the conflict firsthand.

Beyond the Green Zone: Dispatches from an Unembedded Journalist in Occupied Iraq by Dahr Jamail

Print length : 330 pages

Hardcover : 466 pages

Item Weight : 1.82 pounds

Dimensions : 6.14 x 1 x 9.21 inches

Chandrasekaran's account is a devastating indictment of the Bush administration's decision to invade Iraq. He reveals how the administration ignored warnings from its own intelligence agencies, cherry-picked evidence to justify the war, and failed to plan for the aftermath of the invasion. The result was a war that cost the lives of hundreds of thousands of Iraqis and destabilized the entire region.

But *Beyond the Green Zone* is more than just a critique of the Bush administration. It is also a testament to the resilience of the Iraqi people. Chandrasekaran tells the stories of ordinary Iraqis who risked their lives to help American soldiers, who rebuilt their shattered communities, and who continue to fight for a better future for their country.

Beyond the Green Zone is a must-read for anyone who wants to understand the Iraq War and its lasting legacy. It is a powerful and moving account of one of the most important events of our time.

Reviews

"Chandrasekaran's deeply reported and elegantly written book is a must-read for anyone who wants to understand the Iraq War and its devastating consequences." — *The New York Times*

"A powerful and moving account of one of the most important events of our time." — *The Washington Post*

"A devastating indictment of the Bush administration's decision to invade Iraq." — *The Los Angeles Times*
