

Drinking with the Saints: A Spirited Guide to Catholic Patron Saints

By Michael P. Foley

Throughout history, alcohol has been an integral part of human culture, playing a vital role in religious rituals, social gatherings, and personal experiences. The Catholic Church, with its rich history and vast array of patron saints, is no exception to this connection between alcohol and spirituality.

In his captivating book, "Drinking with the Saints," author Michael P. Foley embarks on a captivating exploration of the lives and legacies of Catholic patron saints, uncovering the surprising and often fascinating role that alcohol played in their stories.

Patron Saints and Alcohol

From the legendary Saint Patrick, who is often depicted with a pint of Guinness in hand, to the enigmatic Saint Anthony the Great, known for his extreme asceticism, Foley delves into the lives of numerous saints, revealing their unique relationships with alcohol.

Some saints, like Saint Boniface, used wine as a sacrament, while others, like Saint Benedict, established strict rules against excessive consumption. Foley's research paints a vivid picture of the diverse ways in which alcohol has influenced the lives and teachings of these holy figures.

Alcohol in Catholic Tradition

Beyond the stories of individual saints, Foley also examines the broader role of alcohol in Catholic tradition. He explores the use of wine in the Eucharist, the importance of hospitality and sharing in Catholic culture, and the complex relationship between alcohol and spirituality.

Foley deftly weaves together historical accounts, theological insights, and personal anecdotes to provide a comprehensive understanding of the significance of alcohol in the Catholic faith.

Saints and Sinners

"Drinking with the Saints" is not simply a collection of historical facts. Foley uses the stories of these saints to explore universal human themes of temptation, desire, and redemption.

He shows how even the most revered saints were not immune to the allure of alcohol and the challenges of overcoming addiction. Through their struggles and triumphs, Foley reveals the power of faith, forgiveness, and the transformative potential of human nature.

A Spirited Journey

More than just a book about saints and alcohol, "Drinking with the Saints" is an invitation to a spirited journey of self-discovery and spiritual exploration. Foley's writing is both informative and deeply personal, as he shares his own experiences and insights along the way.

Whether you are a devout Catholic, a curious historian, or simply someone interested in the fascinating intersection of religion and culture, "Drinking with the Saints" offers a captivating and thought-provoking read.
