BEST 8 WAYS TO BUILD RESILIENCE

1 I have resilient adults around me

What you model matters

2 I am good at some things and need to work on others

Find and celebrate strengths

3 I am hopeful and positive even when it's tough!

Teach optimistic thinking to power success

4 I can cope with change

Build capacity to be adaptable and flexible

5 I can practise to achieve my goal

Connection to meaning and purpose fuels the many steps to mastery

6 I have people who help me to shine

Resilience is supported by people who mentor, guide and model

7 I can learn from mistakes and solve problems

Problem solving and taking action leads to self-improvement

8 I am me – and that's enough!

Self-acceptance builds the capacity to embrace strengths and accept challenges

In an era defined by rapid technological advancements and societal shifts, the challenges faced by teens and tweens are constantly evolving. This book empowers parents with the knowledge and strategies they need to adapt to these changing circumstances and ensure the success and well-being of their children.

By embracing the expert advice and evidence-based strategies outlined in this guide, parents can create a supportive and nurturing environment that fosters the emotional, academic, and social growth of their teens and tweens, empowering them to become successful, resilient, and connected individuals.

Remember, adolescence is not just a phase; it is a pivotal period that shapes the trajectory of a young person's life. With the right guidance and support, parents can empower their teens and tweens to thrive and flourish in all aspects of their lives.
