Are you married to a narcissist? If so, you know that it can be a very challenging experience. Narcissists are often self-centered, demanding, and manipulative. They can be difficult to communicate with, and they may not be very supportive or understanding. As a result, it can be very difficult to maintain a healthy and happy relationship with a narcissist.

However, it is possible to stay married to a narcissist and still be reasonably happy. With the right strategies, you can learn to cope with the challenges of such a relationship, and you can find ways to find happiness and fulfillment despite the challenges.

In this book, you will learn:

- What narcissism is and how it affects relationships
- The challenges of being married to a narcissist
- Strategies for coping with the challenges of such a relationship
- How to find happiness and fulfillment despite the challenges

This book is written by a licensed therapist who has years of experience working with couples who are dealing with narcissism. She provides practical advice and support that can help you to overcome the challenges of your relationship and to find happiness and fulfillment.
