

# The Polish Air Force In World War II: A Detailed History Of Its Battles, Equipment, And Personnel

The Polish Air Force played a significant role in World War II, despite being outnumbered and outgunned by the enemy. This book provides a comprehensive history of the Polish Air Force's involvement in the war, including its battles, equipment, and personnel.

The book begins with a brief overview of the Polish Air Force before the war. It then discusses the Polish Air Force's role in the German invasion of Poland in 1939. The book goes on to describe the Polish Air Force's participation in the Battle of Britain, the Battle of France, and the Battle of the Atlantic. It also discusses the Polish Air Force's role in the liberation of Europe and the defeat of Nazi Germany.

## The Forgotten Few: The Polish Air Force in World War II
