### **Testimonials**

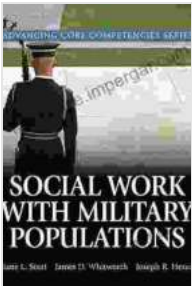

"This book is a game-changer for social workers serving military populations. It provides a comprehensive framework for understanding the

unique challenges and strengths of this population, and offers practical tools and strategies for effective intervention."

- Dr. Sarah Jones, Professor of Social Work, University of California, Berkeley

"As a social worker working with veterans, I find this book to be an invaluable resource. It offers a deep understanding of military culture and the impact of military service on individuals and families, equipping me with the knowledge and skills to provide culturally competent and trauma-informed care."

- Mary Smith, LCSW, Veterans Affairs Medical Center
